

Nagareyama Otakanomori High School ~2015~

Open your wings and
fly toward the world!

~be motivated to be a worldly person~

School Trip to **Guam** and **Taiwan**

General course students went to Taiwan. This was featured in the media there. They enjoyed classical Chinese opera and sightseeing. International course students went to Guam and had a cultural exchange with local high school students. They had valuable experiences, which they could not do in Japan.

你好~ /

We were on TV!

NHK NEWS program introduced our Politics and Economy class about election by Mr. Otsuka. Students did a mock election and they now know how important voting is.

A comment from a student. ↓
"Even though it's a single vote, we would like to show our will for Japan's peace."

Clubs are Hot!

We have over 30 clubs. Our baseball club reached "best 16" in the prefectural baseball tournament last summer.

Parents, students, and teachers cheered them on with matching polo-shirts.

We received an Award from MEXT.

We became the only one to receive the prize of Good Dental Health School. We invite dentists to have a lecture at our school.

This poster was made by one of our students. ↑

Attractive Feature of Otaka

English Class in English

ALT (Assistant Language Teachers) come to our English classes and we don't use Japanese in class.

American Summer Camp

International course students go to an English camp during the summer and spend 3 days with American university students and speaking all in English.

Interact with Exchange Students

We interact with exchange students at neighboring universities.

UNESCO School

We are a part of the UNESCO ASPnet, and cooperate with Universities to promote the Idea of education for sustainable development.

"Hello" Campaign

With neighbor schools, we have a "Hello" campaign every month.

Relationship With E.S./J.H.S.

We hold a speech contest every year for neighboring J.H.S students. Also, our international class visits elementary schools to give visiting classes.

School Mascot

Our school mascot, Morimori-kun, was designed and made by students, teachers, and our PTA members. It was elected through 96 applicants.

Volunteer Work

Some club activities do volunteer work such as fund-raising activities and presentations at social welfare facilities.
