Exchange objective(s) (交流目的)	Understanding the cultural differences through communicating in a small group
Details (交流内容)	Experience sitting silently at zen style worship hall — mindfulness, Observe a Noh lesson, Group work — Ice breaking, self-introduction, ball shooting game

Results (交流の成果)	Writing a small paragraph after the event
Challenges and how they were overcome (交流にあたり困難だったこと、克服した方法)	Language barriers — we communicated each other by only e-mails. Plus, there hadn't been enough time to plan the contents of the exchange because this request of the exchange from MungSeong was too late. Although we were able to talk with a Japanese lady working part time at the school, we couldn't communicate enough. We assume that there was surely lack of plans beforehand.
Future plans and visions (今後の予定・展望)	We keep an open mind on an exchange once a year
