Objective(s) (交流目的)	To understand each other's schools, students, countries and cultures, and to build friendly relation.
Details (交流内容)	To know each other better, we shared introduction videos of schools and students on Flipgrid, a video discussion and video sharing app. Then, we had an online event that we shared presentations of World Heritage Sites and played quizzes from both schools.
Results (交流の成果)	<p>Students and teachers from both schools appreciated the opportunity we had been given, and it has become a valuable experience for both of the schools.</p> <p>Considering the current situation, the exchange activities has been suspended.</p>
Challenges and how they were overcome (交流にあたり困難だったこと、克服した方法)	Since there is a 6-hour time difference, it was hard to have online event. The school in Russia had to start at 9 am and the school in Japan had to start at 3 pm. In order to have an online event, some projects must have been done by students beforehand. So, we had to push our students to do the projects on the schedule.
Future plans and visions (今後の予定・展望)	I hope we can resume the exchange soon.
