Exchange Objective	1. To deepen understanding of a neighboring country by exploring the school life and culture of Japanese students 2. To foster a culture of respecting both similarities and differences
Exchange Activities	1. Introducing the school life and culture of Korean students 2. Introducing the school life and culture of Japanese students 3. Asking and answering questions to enhance mutual understanding
Results <i>(Educational outcomes, student development, and student feedback, etc.)</i>	1. Discovering similarities in the daily lives of Japanese students fostered a sense of kinship among our students. 2. By sharing cultures with Japanese students, our students enhanced their cultural literacy and developed a broader perspective on culture. 3. Through interacting with foreign peers in English, students were motivated to learn the language, and their foreign language proficiency was further strengthened during the preparation for the international exchange.
Challenges & Solutions	Challenge: Email was the only means of communication, which made timely coordination difficult. Solution: After reaching agreement on the general framework of the online exchange via email, detailed matters were discussed through Zoom meetings.
Future Plans <i>(*Follow-up Schedule, Additional</i>	We plan to organize a session where students who participated in the online international exchange share their experiences with UNESCO Club members who were unable to join.
