Objective(s)	Support for UNESCO activities using English and Korean
Details	Meetings using e-mail, Zoom, SNS (Padlet) (Starting with greetings, from simple stories including high school students' interests to various topics)

Results	The exchange between high school students in English, Korean, and Japanese increased the interest of each other's culture
Challenges and how they were overcome	The free time of classes and club activities that are convenient for each other was not matched, so we made up for the background with SNS (Padlet)
Future plans and visions	We want to continue to interact with various schools
